

A photograph of a family of three outdoors during the "golden hour" of sunset. A woman with long dark hair in a ponytail is on the left, looking towards a baby. A man is on the right, holding the baby and looking down at it. The baby is looking up at the man. The background shows a house and trees, with a strong lens flare from the sun. The text "Manage your health better with My Health Records" is overlaid in white on the left side of the image. A solid orange horizontal bar is at the bottom.

Manage your health better with
My Health Records
